RENAFER

## 35 years developing a task from HUMANAE VITAE

### HUMANAE VITAE (9, 13)

... This love is above all fully human...a very special form of personal friendship in which husband and wife generously share everything...

... to experience the gift of married love while respecting the laws of conception is to acknowledge that one is not the master of the sources of life...

### Teaching and accompanying NFP couples

### Sexual education of youngsters

### Conjugal love courses for couples

### Organization of International Symposiums

Barcelona, La Coruña, Málaga, Madrid, Tenerife, Bilbao

### Participation in European organizations/programs

IEEF/ FEDRA

### Participation in International Congresses

### Doctoral Thesis

### Driving NFP centres in different countries

Cuba Portugal, Argentina, Lithuania

### Training of NFP teachers

### Scientific publications, teaching material
